### TRAINING POLICIES AND RELEASE FORM:

- Please attach a current list of vaccinations to this form. Proof of current Rabies and Distemper (sometimes listed as DHPP) vaccinations is required. Bordetella is not required; however, it is strongly recommended. Puppies must have vaccinations commensurate with age.
- Payment for the full package is due at time of registration in order to reserve your spot. We can accept Cash, Check (Payable to Riverfront Pets), Credit Card or Venmo.
- On rare occasions (e.g., inclement weather), Riverfront Pets may cancel a class if pet/owner safety is at risk. In this circumstance, make up classes will be offered. However, if a class takes place and the pet and owner are absent, neither make-up classes nor partial refunds will be available.
- In the event the pet owner needs to withdraw from the full round of classes, a prorated refund will be offered and a \$40.00 administration fee will be charged.
- Owner is responsible for all property damage or injury to a person/pet caused by their dog while participating in training classes.

Please print and sign or E sign and return to trainer.
